

Rhonda Bayliss

Intuitive Mentor & Adviser
Holistic Healer
Energetic Facilitator

I have been a fulltime Jin Shin Jyutsu Practitioner since 1998 and am extremely passionate about this very effective healing art. My natural intuitive ability has been enhanced by extensive ongoing training in various natural therapies.

I combine the powerful art of Jin Shin Jyutsu with the magical transformational process of Ancient Healing Alchemy. Aura Soma colour therapy and crystal healing can also be used during a treatment.

I work Monday to Saturday by appointment only from 15 Alberon Street Parnell.

Gift vouchers are available.
